

## Conditions of Use for Artificial Turf Fields

To ensure that all participants are following the same guidelines with respect to conditions of use for the artificial turf fields, please ensure that every team official, player and parents of players (for Youth) and spectators are aware of the following terms. Coaches will be responsible for the conduct and behaviour of players and spectators on the field.

Groups must leave the Artificial Turf field FIVE MINUTES before their END TIME to allow transition time between groups. Groups must not enter the fenced field area until their START TIME. Teams must warm up outside fenced area. This will help avoid conflict between groups. Please ensure all participants are made aware of this procedure.

To protect the field surface and maximize the life of the fields, all participants are required to follow the following conditions of use:

- Spectators must remain outside fenced area of field
- Footwear on artificial turf fields must be moulded rubber cleats, turf or running shoes. No metal cleats at all and no screw-in plastic cleats. This rule will be strictly enforced. Home teams must inform away teams of this rule and make sure referees enforce rule. Players found with screw-in stud footwear on the AT Field will be assessed damages and home teams and referees will be liable for suspension of field privileges.
- No gum
- No tobacco products
- No sunflower seeds (they sprout in the rubber and take hours to remove!)
- No beverages (other than water in plastic bottles)
- No pets
- No food
- No tents with spikes. Tents should be set up off to the side so spectator views are not blocked.

For bookings on the Artificial Turf fields, the North Vancouver Recreation Commission requires 14 days written cancellation notice.
