

## **A Message from Your NVFC Board of Directors**

To our Club Members,

It's hard to believe that the 2016/2017 soccer season is coming to a close. North Vancouver FC has had another successful soccer season and we couldn't do it without your participation & dedication to the sport of soccer.

Here's a brief overview of our accomplishments this year:

- Close to 3700 players participated in soccer around the North Shore & its surrounding areas
- Over 1000 volunteers ensured that our players were taken care of throughout the season
- 20 NVFC teams competed in the 4 District Cup Finals

We also wanted to take this opportunity to acknowledge and thank you for your understanding with all the recent snow and rain we have had towards the end of the soccer season. It's been an unusual winter, and we know that many teams had to cancel their games.

While we can't control the weather, your Board of Directors is committed to providing our players with more playing time throughout the year. We're constantly working with both the City & the District of North Vancouver on securing additional fields at Fen Burdett (part of Mahon) and the upcoming all weather turf fields of Kirkstone and InterRiver.

Thank you for being part of the North Vancouver FC. Please register early to help the Club plan the number of teams to field next season.

We look forward to seeing you on the pitch this year.

Sincerely,

Your North Vancouver FC Board of Directors
